

Poster Contest Winners 2015

Local Heroes – Your Hardworking Pollinators

The annual National Conservation Poster Contest provides kindergarten through 12th grade students with an opportunity to share their thoughts about soil, water and related issues. It also highlights the educational efforts of the local soil and water conservation districts.

Thirty-nine counties in Missouri participated in this year's event, sponsored by the Missouri Association of Soil and Water Conservation Districts. These posters were selected as the state winners because they best convey the idea of the theme, *Local Heroes - Your Hardworking Pollinators*. The posters then advance to the national competition, sponsored by the National Association of Conservation Districts.

Missouri Has 3rd Place and Honorable Mention National Poster Contest Winners

Congratulations to Savannah Grimes, a 3rd grader from St. Francois County, whose poster won 3rd place in the National Association of Conservation Districts Poster Contest. The theme for the poster contest was Local Heroes - Your Hardworking Pollinators. Savannah will receive a \$100 award. Mason Forkner, a 4th grader from Vernon County, was an honorable mention winner in the nationals.

Class K-1
Jayden Frohling
1st Grade
